WEB CAST: <http://mediasite.uchc.edu/Mediasite41/Catalog/pages/catalog.aspx?catalogId=12f07b4a-de7d-4f9d-b4b7-d8e505364919> (Note: No CME's given for Web Cast viewing)

UCHC CAMPUS ONLY: Lunch will be provided at 11:45 AM for those who RSVP. Please RSVP to Lynn Bores by Friday, November 6th (Bores@nso.uchc.edu or 679-1751) If you have questions, please feel free to call.

Target Audience: Faculty, staff, residents, and students interested in clinical research.

Objectives: Participants will be able to: a. Provide background of what is known about how bone and immune cells interact, b. Describe knowledge gaps between animal vs. human research in this topic area and c. Discuss potential clinical research studies that would provide data to address these knowledge gaps.

Accreditation: The University of Connecticut School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Connecticut School of Medicine designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Conflict of Interest Policy: All faculty participating in CME activities sponsored by the University of Connecticut School of Medicine are required to disclose to the program audience any actual or apparent conflict of interest related to the content of their presentations. Program planners have an obligation to resolve any actual conflicts of interest and share with the audience any safeguards put in place to prevent commercial bias from influencing the content.

Dr. Lorenzo does not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of his presentation. Dr. Lorenzo will not discuss the off-label use of any product..

This CME activity has no commercial support associated with it. Food or refreshments provided by the GCRC.
