GILMAN AUDITORIUM – HARTFORD HOSPITAL AND CCMC

The CENTER for UNDERGRADUATE ED. - Rm CUE331E – UCONN, STORRS

WEB CAST: <http://mediasite.uchc.edu/Mediasite41/Catalog/pages/catalog.aspx?catalogId=12f07b4a-de7d-4f9d-b4b7-d8e505364919> (Note: No CME's given for Web Cast viewing)

UCHC CAMPUS ONLY: Lunch will be provided at 11:45 AM for those who RSVP. Please RSVP to Lynn Bores by Friday, Nov. 20th (Bores@nso.uchc.edu or 679-1751) If you have any questions, please feel free to call.

Target Audience: Faculty, staff, residents, and students interested in clinical research.

Objectives: Participants will be able to: a. Summarize the systemic treatment choices for early stage Breast Cancer and their indications, b. Assess our current ability to personalize these treatments, c. Describe the barriers in place for implementation of translational research and discuss strategies to overcome these barriers, and d. Distinguish host and tumor features important in the development of personalized treatment strategies

Accreditation: The University of Connecticut School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Connecticut School of Medicine designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Conflict of Interest Policy: All faculty participating in CME activities sponsored by the University of Connecticut School of Medicine are required to disclose to the program audience any actual or apparent conflict of interest related to the content of their presentations. Program planners have an obligation to resolve any actual conflicts of interest and share with the audience any safeguards put in place to prevent commercial bias from influencing the content.

Drs. Tannenbaum and Claffey do not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of their presentations. Drs. Tannenbaum and Claffey will not discuss the off-label use of any product.

This CME activity has no commercial support associated with it. Food or refreshments provided by the GCRC.
